$$\begin{array}{r} 1614 \\ - 36 \\ \hline 128 \end{array}$$

Diagram illustrating the subtraction process on a grid. The numbers 1614 and 36 are written in blue. A horizontal blue line is drawn under the numbers. The result 128 is written in black below the line. A green line connects the minus sign to the text box above. A green line connects the 1 in the tens column to the text box above. A green line connects the 1 in the hundreds column to the text box above. A green line connects the 8 in the units column to the text box below. A yellow sticky note is attached to the top right corner of the grid.
