

TRACES A SUIVRE PS
Période 1

Laisser des traces avec ses mains
Grotte des mains / Cueva de las manos (11000 à 7500 av JC)

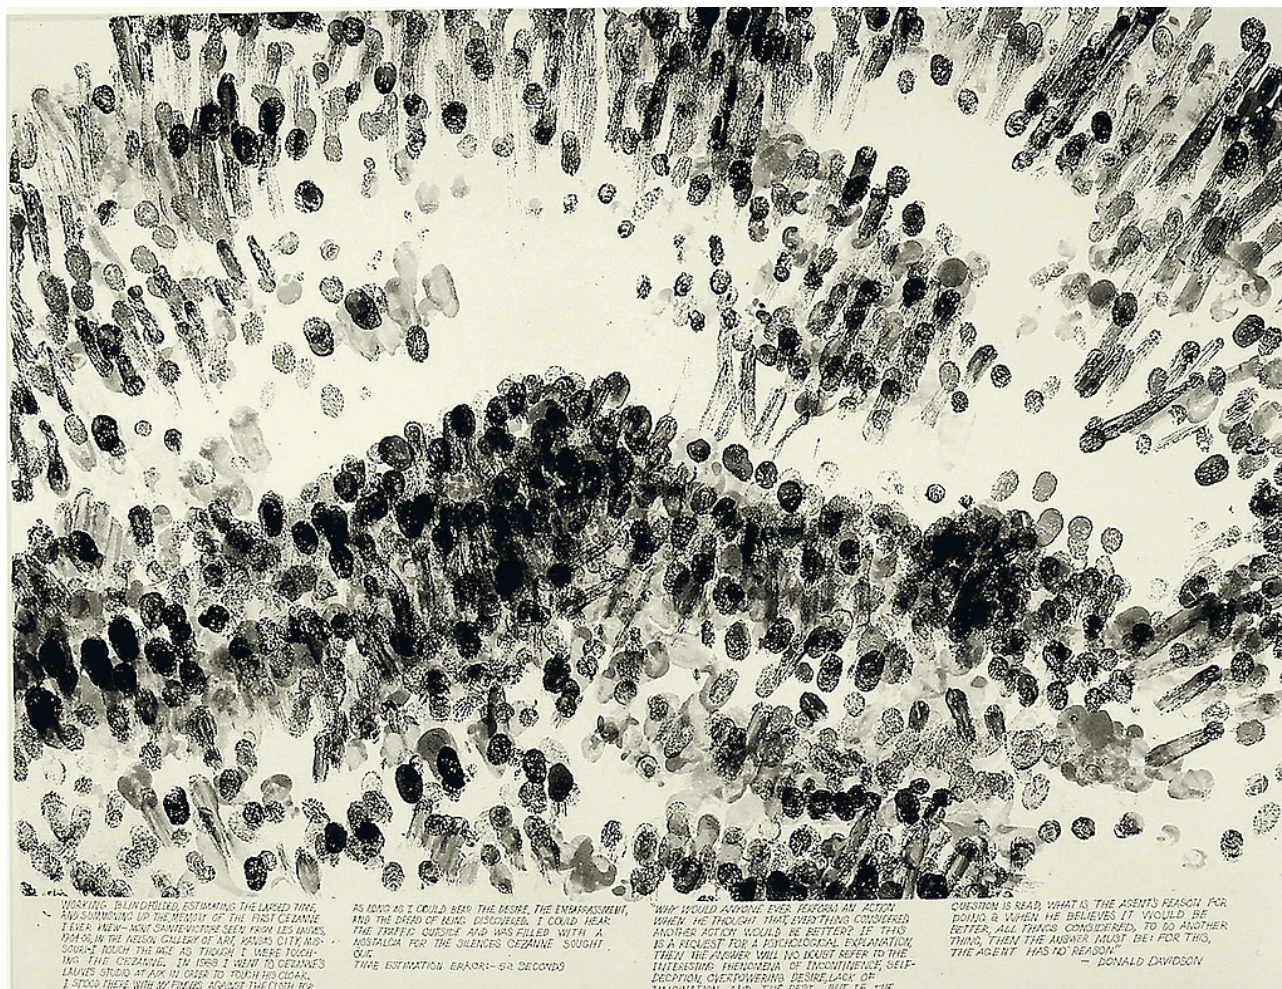

TRACES A SUIVRE PS

Période 1

Blind Time VI (Temps aveugles VI) - 1997 – Robert MORRIS (né en 1931)

Laisser des traces avec ses doigts

WORKING BLINDHELD, ESTIMATING THE LARGEST TIME
AND SKIPPING UP THE MEMORY OF THE FIRST CEZANNE
LEVER, KNOW-NOT-SOMEHOW SEEN FROM LES MANS,
PARIS, IN THE ARSON CHURCH OF ART, PARIS, CITY, MID-
SOUTH, KNOW THE AGE AS THOUGH I WERE TOUCH-
ING THE CEZANNE. IN 1968, I WENT TO CEZANNE'S
LAVES STUDIO AT AIX IN ORDER TO TOUCH HIS CLOAK.
I STOOD THERE WITH MY FINGERS AGAINST THE CLOTH FOR

AS LONG AS I COULD BARE THE DESIRE, THE EMBARRASSMENT,
AND THE DREAD OF BEING DISCOVERED. I COULD HEAR
THE "PFF" OF "GUSH" AND WAS FILLED WITH A
NOSTALGIA FOR THE OULENCES CEZANNE SOUGHT
OUT.
THREE ESTIMATION ERROR: - 52 SECONDS

"WHY WOULD ANYONE EVER PERFORM AN ACTION
WHEN HE THOUGHT THAT EVERYTHING CONSIDERED
ANOTHER ACTION WOULD BE BETTER? IF THIS
IS A REQUEST FOR A PSYCHOSOCIAL EXPLANATION,
THEN THE ANSWER WILL NO DOUBT REFER TO THE
INTERESTING PHENOMENA OF TACITURNITY, SELF-
DECEPTION, OVERPOWERING DESIRE, LACK OF
IMAGINATION, AND THE REST... BUT IF THE

QUESTION IS READ, WHAT IS THE AGENT'S REASON FOR
DOING B WHEN HE BELIEVES IT WOULD BE
BETTER, ALL THINGS CONSIDERED, TO DO ANOTHER
THING, THEN THE ANSWER MUST BE: FOR THIS,
THE AGENT HAS NO REASON."
- DONALD DAVIDSON
